

# TE WHAREKURA O MANAIA

HE KAWERONGO MĀ TE WHĀNAU

**Ka tangi mōteatea ki te apārangi kua mene atu ki tō Hine-nui-i-te-pō whare. Ka toko ake te tini whakaaro, te mano mahara hei tohu aroha e kore rawa e memeha. Nā reira e te tuahine e Sue, whaia atu ōu mātua ōu tīpuna hoki. E moe nei i tō moenga roa, okioki rā.**

**Rātou ki a rātou, tātou ki a tātou. Tihei mauri ora!**

**Nau mai, hoki mai e ngā pia o Te Wharekura o Manaia. Tāhuti mai rā tātou ki tēnei, ki te kaupeka whakamutunga o te tau. Tēnā koutou!**

Welcome back everyone. Term 4, is traditionally the busiest of all the terms and it's also the shortest, consisting of 8 weeks and 3 days. Already we've had a very busy first week and it's just going to get busier with all the different activities including sports events, report writing, examinations and parent meetings. But don't worry, we'll keep you up to date with regular pānui regarding these events.

Last Friday we held our Athletics Day at the Coromandel Area School grounds. The day started out quite cold and threatened to rain however, thankfully the rain held off and we had a successful morning of track and field events.

Our tamariki were great participants and tried to do their very best in the various events they'd chosen to enter. This was obvious to all the spectators and parents who came to support their children and the kaupapa. So, thank you all for a great day. Tamariki mā, at the end of the day it doesn't matter about your placing, you're a winner because you participated with enthusiasm and enjoyment. E whakamānawa ana ki a koutou katoa, kei runga noa atu!

The top 3 placegetters will participate in the **Peninsula North Athletics Day** on 31<sup>st</sup> October.

Te Waitangi o Ohinemuri celebrated their first birthday last week. Yes, it's been 1 year since they began their Wharekura at Waihi. Ka nui te mihi e te whānau! Kia manawa nui rā tātou.

Whānau please contact the office if you've changed your contact details. We need these updated at all times in case of an emergency. Thank you for your cooperation.

Finally, please read carefully the following pages which outline the learning objectives for akomanga and year levels, this term.

### **SIGNIFICANT DATES**

**28 October - Labour Day – No Kura**

**31 October - Peninsula North Athletics**

**15-16 November – Hauraki Festival**

**23 November - Gala Day (20<sup>th</sup> Anniversary Fundraiser)**

**26 November - Y9-Y10 Parent Teacher Interviews and Houtahi – Parent Teacher Interviews**

**27 November – Thames Valley Primary School Athletics**

**29 November – Wharekura Prizegiving**

**30 November – Senior School Ball**

**11 December- Last Day of Wharekura**

**12-13 December- Kaiako Planning Days**

# TAU 9

## TE REO MĀORI

Mātua rā te titiro atu ki te rangahau tonu i te marae me ōna āhuatanga katoa. Hei te wiki tuawhā o te wāhanga nei tīmata ai ngā whakamātautau whakamutunga mō te tau. Waihoki, ka whakariterite ētahi o ngā tauira mō te whakamātautau ā-waho ka tū hei te Mane, te 18 o Nōema, 9am.

Ka riro hoki i ngā tauira kei te kapa o te kura ētahi whiwHINGA ki te tū ki Te Whakataetae Kapa Haka o Hauraki.

## TE REO PĀKEHA

This term tauira will be working on developing their writing, speaking and presenting skills. Tauira will conclude the term with an end of unit speech on a topic of their choice which will be a minimum of 3 minutes long. There will also be an end of year examination in week 4 which will test a range of skills including reading, writing and comprehension. This test will cover skills also taught in previous terms this year.

## TĪKANGA-Ā-IWI

This term will be spent summarising the differences in world views as we compare our indigenous world view with those of the western world in terms of history. This exercise will also give our tauira an opportunity to practice their report writing skills, as well as their knowledge on what we have learnt about this year. There will be an end of year examination in week 4.

## PŪTAIAO

Tauira will be cover planet earth and beyond this term and will also revise content covered in term 3. The planet earth and beyond unit in year 9 focuses on physics principles which underpin the motion of planets, the sun and the moon. They will also expand on this and learn about the vast expanse of the universe and the various components which make up our universe including blackholes, constellations (star systems), dark matter, meteors, comets and galaxies. They will be examined in week 4 of this term which will cover the scientific method, report

writing, fair testing, electricity and planet earth and beyond. This will consolidate their learning for the second half of the year.

## TAU 10

## TE REO MĀORI

Mātua rā te titiro atu ki te rangahau tonu i te marae me ōna āhuatanga katoa. Hei te wiki tuawhā o te wāhanga nei tīmata ai ngā whakamātautau whakamutunga mō te tau. Waihoki, ka whakariterite ētahi o ngā tauira mō te whakamātautau ā-waho ka tū hei te Mane, te 18 o Nōema, 9am.

Ka riro hoki i ngā tauira kei te kapa o te kura ētahi whiwhinga ki te tū ki Te Whakataetae Kapa Haka o Hauraki.

## TE REO PĀKEHA

This term tauira will be working on developing their writing, speaking and presenting skills. Tauira will conclude the term with an end of unit speech on a topic of their choice which will be a minimum of 3 minutes long. There will also be an end of year examination in week 4 which will test a range of skills including reading, writing and comprehension. This test will cover skills also taught in previous terms this year.

## TĪKANGA-Ā-IWI

Explore and develop skills in Māori performing arts, emphasizing language in performance. Prepare and present a showcase demonstrating Te Reo Māori and artistic abilities. Reflect on the cultural significance and personal experience of Kapa Haka.

## PŪTAIAO

This term tauira will build on prior knowledge of the planet earth and beyond unit which was covered last year. This will help prepare them for year 11 where they will complete an internal NCEA assessment on planet earth and the solar system. Tauira will also be examined in week 4 for their end of year examination. They will be tested on planet earth and beyond as well as the physics unit they have learned in term 3.

# TAU 11

## TE REO MĀORI

Kei te whakaotihia e ngā tauira ngā mahi mō tētahi o ngā aromatawai ā-waho. Me mātua whakaoti ēnei mahi i mua i te 30 o Oketopa. Kei te huarahi tika ngā tauira e haere ana. E whakapono nuitia ana ka whakatutukihia e rātou tēnei mahi. Waihoki, kei te āta whakariterite ngā tauira mō te aromatawai ā-waho tuarua ka tū hei te **MANE, 18 O NŌEMA HEI TE 9:00AM.**

Ka riro hoki i ngā tauira kei te kapa o te kura ētahi whiwhinga ki te tū ki Te Whakataetae Kapa Haka o Hauraki.

## TE REO PĀKEHĀ

**NCEA Level 1 English Exam:**

**TUESDAY 12<sup>TH</sup> NOVEMBER 9.00AM**

In the first two weeks, students will complete an in-class external examination due on October 30th. Following this, most students not sitting the end-of-year external paper will focus on enhancing their speaking and presenting skills in preparation for NCEA Level 2. Those sitting the November external exam will dedicate the subsequent two weeks to exam preparation and revision. It is crucial that all students attend kura daily, equipped and ready to learn with a positive attitude.

## PŪTAIAO

Our year 11 tauira have completed their in-school external assessment, which will be submitted within the week. They will then move on to their final external assessment; Chemistry. This will be assessed as a end of year examination to be held in week 6 of this term. Please encourage our year 11's to start revising for this assessment today. Every little bit helps them prepare for their exams.

## PĀNGARAU

Tau 11: Wāhanga 3	
<b>External Preparation</b> Introduce 91947 <b>AS91947</b> Demonstrate mathematical reasoning.	<b>Week 4</b> <b>Friday, 8<sup>th</sup> November</b> <b>9:30am</b>

## RUKU Tau 11-13

For our divers this term, they will continue with their Diver Rescue program. All students have completed the tasks for this Kaupapa but will keep practicing throughout for the remainder of the year as it is one of the most important parts of diving.

# TAU 12

## TE REO MĀORI

Ko te aronga nui ko ngā whakamātautau ā-waho ka tū ā te **MANE, TE 11 O NŌEMA HEI TE 9:00AM**. E rua ngā kaupapa nui o ēnei whakamātautau, ko te reo pānui, ko te reo tuhituhi hoki. Nā reira, ka āta whakangungua ngā pūkenga tuhituhi, ngā pūkenga pānui hoki o te tauira e pai ai tana kuhu ki ngā whakamātautau nei.

## TE REO PĀKEHA

**NCEA Level 2 English Exam:  
THURSDAY 7<sup>TH</sup> NOVEMBER 9.00AM**

Unfortunately for the first two weeks of this term, our Year 12 English class will focus on completing outstanding internal assessments. These are assessments that should have been completed in Term 3. Following this, we will dedicate our time to revision and preparation for external assessments. It is crucial that all students attend school daily, ready to learn with the necessary equipment and a positive attitude. This approach will help ensure success in both internal and external evaluations.

## PŪTAIAO

The year 12 tauira are currently preparing for their external assessments, with most of them completing one biology and one chemistry paper. Revision for these exams must start immediately. Every hour committed to their studies will help in their preparations for their final exams. Please encourage these tauira to begin revision for all subjects in the upcoming NCEA exams.

## TE AO HAKA

Kei te whakaotihia e ngā tauira tētahi aromatawai ā-roto mō te kaupapa nei. He titonga waiata, haka rānei te mahi. Ka riro hoki i ngā tauira kei te kapa o te kura ētahi whiwiringa ki te tū ki Te Whakataetae Kapa Haka o Hauraki.

# TAU 13

## TE REO MĀORI

E whakariterite ana ngā tauira mō ngā whakamātautau ā-waho ka tū hei te **TAITE, TE 21 O NŌEMA 9:00AM**. Kia rite mai ai mō ngā whakamātautau ā-waho nei, ka whakangungua ngā pūkenga tuhituhi me ngā pūkenga pānui.

Ka riro hoki i ngā tauira kei te kapa o te kura ētahi whiwhinga ki te tū ki Te Whakataetae Kapa Haka o Hauraki.

## TE REO PĀKEHA

**NCEA Level 3 English Exam:**

**WEDNESDAY 6<sup>TH</sup> NOVEMBER, 9.00AM**

For the first two weeks of this term, our Year 13 English class will prioritize completing outstanding internal assessments from Term 3. Thereafter, we will shift our focus to revision and preparation for external assessments. It is essential that students attend school every day, prepared to learn with the required materials and a positive mindset. This approach is key to achieving success in both internal and external evaluations.

## PŪTAIAO

Our tuakana now enter their final term of their lives here at kura. The majority of tauira in this class will be completing the Human Evolution paper, with a couple also doing the Organic Chemistry paper. We also have a tauira in year 13 completing 6 science exams at the end of the year. The only advice I can give at this stage is begin revision now (if you haven't already) and maintain the effort all the way to the exam date. This is the home stretch for all of you so keep your head down and work hard to finish off your time here at kura. Kia kaha, kia maia, kia manawanui.
